| <p>1. As promised in reference, we are forwarding under separate cover three different documents or collection of documents which have a material bearing on the [] case and may be of interest to []</p> <p>2. Because of the sensitive nature of our relationship with CARAVEL and the fact that the documents cannot be sanitized sufficiently to disguise their origin without a major effort on our part, which may not be justified in terms of value to [] we are forwarding the material to Headquarters only.</p> <p>3. Separate cover attachment A is the basic correspondence between CAMEN and one of the principals in the [] case. Attachment B is a political analysis, presumably written by this principal about December 1964; attachment C is a record of a press conference involving the imprisonment of another individual mentioned in the case (see paragraph 3 of reference).</p> <p>4. For EE: Copies of the above attachments for the CARAVEL file will be forwarded with other material obtained from CARAVEL on 27 January.</p> | | | |
